

Natural Gas Program

The City of Aurora has established a 6-month fixed rate of **\$5.85/Mcf** for residents and small businesses wishing to join our new natural gas program.

This rate is good through the November 2011 bill cycle, after which the City of Aurora will determine the rate for the remainder of the two-year program. Enrollment ends May 12, 2011.

For questions or enrollment information, contact the City of Aurora's newly endorsed supplier:
